15 Defendant.

CASE NO. C18-210 MJP

MINUTE ORDER RE:  
STATUS REPORT

16 The following minute order is made by the direction of the court, the Honorable Marsha  
17 J. Pechman, United States District Judge:

18 On February 9, 2018, the United States filed this Clean Air Act lawsuit against Defendant  
19 Trident Seafoods Corporation. (Dkt. No. 1, Complaint.) Contemporaneous with its complaint,  
20 the Government filed a Notice of Lodging of Proposed Consent Decree, which indicated:

21 Consistent with Department of Justice regulations (28 C.F.R. § 50.7), the United States is  
22 inviting the public to comment on the proposed Consent Decree for a period of thirty days  
23 before seeking judicial approval. The public comment period will begin upon publication of a  
24 notice in the Federal Register, which we anticipate will occur shortly. Upon expiration of that  
comment period, the United States will advise the Court of any comments received and of the

1 United States' position as to whether the proposed Consent Decree should be approved and  
entered by this Court.

2 Dkt. No. 2, Notice at 1-2.

3 It has been over 60 days since that representation and the Court has received no indication  
4 from the United States of the status of the case or the Government's intentions to move this litigation  
5 forward. Wherefore,

6 IT IS ORDERED that the United States will file a report advising the Court of the status of  
7 this litigation and the Government's plan for moving this matter forward to resolution. The status  
8 report must be filed by no later than **April 25, 2018**.

9  
10 The clerk is ordered to provide copies of this order to all counsel.

11 Filed: April 17, 2018.
